New App Info Form

This is a summary of the details needed for building your app.

Organization Details

- Organization name
- App name
- Entity name (as displayed in legal documents)
- Organization website
- Organization address

Key Contact Details

- Primary contact details (Who should be contacted during the process of building your app?)
- Marketing contact details

Social Media

- Facebook handle
- Twitter/X handle
- Instagram handle

Service Area

- Name of metro area
- Time zone
- Zip codes

Dispatch

- Hours of operation
- Preferred time window for notifications
- List of users needing web app access
- Email address that will receive donations submitted through the online form
- Email address that will be sending volunteer email verification

Contact & Links in the Mobile App

- Phone number for volunteer support
- Link for financial donations
- Link that will be included in the default text when volunteers share from an in-progress rescue

Logo

We will need **vector images** (the file suffix may be .ai or .eps) of your organization's logo. These images must have a transparent background. We will need two, possibly three, versions:

1. A logo suitable for a white/light background
2. A logo suitable for a dark background
3. A logo suitable for a square image on a white/light background.
